Handlists of manuscripts, H17

COLTNES PAPERS: MSS 2291-2295

This collection was donated in 1988 by Mrs Katherine Jean Fyfe (nee Wolfe Murray), whose ancestors had inherited them following the death of Major-General Sir James Stuart Denham in 1839 through the marriage of Alexander Murray of Cringletie in Peeblesshire to Marion Steuart, the General's aunt.

Most of the collection has been microfilmed: the Edinburgh University Library shelf numbers of the negative microfilms are appended after the particular handlist entry.

Some of the documents have been published, notably in *Coltness Collections*, issued by the Maitland Club in 1842 (hereafter cited as C.C.), and in *Documents relatifs à Sir James Steuart*, by Paul Chamley (Paris, 1965) (hereafter cited as Chamley).
