Interim Handlist

Collection ref. Coll-27

Collection title Papers of Sir Robert Stoddart Lorimer

Shelfmark(s) Gen. 1963/1-68; MSS 2482-2894

About this handlist

This handlist is in several parts:

- 1) Gen. 1963/1-39. These papers have been sorted and numbered, and there is a full inventory, on typed sheets. There is also an A-Z index on slips, shelved adjacent. (N.B.: Manuscripts with a call mark suffix "F" are housed separately, after Gen. 1963/68. Plans of buildings and building details are housed in Plan Chests 7 and 8.)
- 2) Gen. 1963/40-58. Papers in boxes 40 to 50 have been sorted and numbered; while boxes 51 to 58 have, to a considerable extent, been sorted (largely by Dr Louise Boreham) but not numbered at all. For all these boxes there is a relatively full word-processed inventory on A4 sheets.
- 4) Gen. 1963/59-68 and MSS 2482-2494. These papers are still in bundles, with only rudimentary sorting, and no numbering. A brief checklist, in word-processed form, has been made.
